Psychedelic Readiness & Integration

FEE MENU

UCEBT offers evidence-based consultation, screening, preparation, and integration support for adults considering or participating in legally authorized psilocybin services outside of UCEBT. **Dr. Michelle Ertl** is a Licensed Natural Medicine Clinical Facilitator in Colorado and is available to consult with both patients and healthcare professionals.

HOW SERVICES FIT TOGETHER

1. UCEBT

Consultation, readiness, and preparation

2. Licensed Colorado Healing Center

Legally authorized psilocybin services; separate fees apply

3. UCEBT

Integration and follow-up support

SERVICES FOR PATIENTS / CLIENTS

Service	Duration	Fee	What It Includes
Initial Consultation	15 min.	Free	Brief call to discuss goals, general fit, and next steps.
Preparation / Extended Consultation	40 min.	\$195	Education, intention setting, expectations, and preparation before legally authorized services.
Readiness Interview & Evaluation	60 min.	\$260	Review of mental health history, current needs, risk factors, and readiness considerations.
Integration Session	Standard therapy session	\$195	Support to process the experience and apply insights to ongoing care and daily life.

SERVICES FOR PROVIDERS / CLINICIANS

Service	Duration	Fee	What It Includes
Initial Professional Consultation	15 min.	Free	Brief consultation about Colorado's regulated model and whether services may be relevant to a patient.
Extended Professional Consultation	40 min.	\$195	Education, readiness considerations, case-focused consultation, and care coordination when appropriate authorization is in place.

IMPORTANT INFORMATION • Services are available to adults age 21 and older.

- Fees may vary depending on the clinician's training and licensure level.
- UCEBT does not provide Psychedelic-Assisted Therapy, prescribe or supply psychedelic substances, or conduct psilocybin administration session.
- Any licensed Colorado facilitation or healing-center services occur separately from UCEBT and are not included in this fee menu.
- This material is educational only and does not constitute medical, legal, or mental health advice or promote illegal activity.
